<input type="checkbox"/> Appeal	Type:	

Please provide additional information on the back of this page.

**NARRATIVE:** Please use this space to explain your request in detail.

Currently, the property is used as a place of worship and gathering for the McHenry County Jewish Congregation. Its current zoning classification is A1 with a conditional use for a place of worship. The applicant intends to convert the structure to one single family home. With this change of use, the current zoning classification must be changed. E2 is appropriate due to the size of the parcel, the structure's intended use, the parcel's location relative to the infrastructure and services accessible in the area, and McHenry County's 2030 Plan.

The applicant ultimately intends to list the entire single family home as a vacation rental for individual families.

**CONSENT**

I/We hereby authorize that the aforementioned applicant, attorney, and agent may act and testify on my behalf as my agent in the matter of this zoning application regarding the property listed above that is the subject of this application.

**VERIFICATION**

I/We hereby verify and attest to the truth and correctness of all facts, statements and information presented herein.

RE: Site plan narrative  
8617 Ridgefield Road, Crystal Lake, IL  
Applicant: Brent Hollenberg

Currently, the property is used as a place of worship and gathering for the McHenry County Jewish Congregation. Its current zoning classification is A1 with a conditional use for a place of worship. The applicant intends to convert the structure to one single family home. With this change of use, the current zoning classification must be changed. E2 is appropriate due to the size of the parcel, the structure's intended use, the parcel's location relative to the infrastructure and services accessible in the area, and McHenry County's 2030 Plan. The applicant ultimately intends to list the entire single-family home as a vacation rental. As such, applicant also seeks a conditional use of "vacation rental" to accommodate his intended use.

To do this, the applicant does not intend to make any substantive exterior changes but will renovate the interior from a worship space to a comfortable living space, including adding up to 4 separate bedrooms. There are no public restrooms on site or proposed. All floor drains are as existing in the structure and discharging into the onsite septic system. The septic system has been recently inspected and found to be functioning as intended. At any given time, there may be a single employee on site preparing the home for guests. Applicant will advertise the entire home for rental by a single customer/ guest and would expect a maximum of 8-10 individuals on site at one time. There are currently 12 parking spaces on site, including 2 handicapped spots. The applicant does not intend to add any additional parking believing it highly unlikely for there to be any more vehicles on site. Ideally, the home would be rented most days of a week, however, it is expected that weekend stays would be most common.

**CONSENT TO ON-SITE INSPECTION**

I/We are the owners of record of the real estate which is the subject of this application. Owners of the described real estate do hereby freely and voluntarily consent to inspection of the site of the parcel in question for purposes of determining the appropriateness of the pending proposed zoning petition by the Zoning Enforcement Officer and/or designated representative, McHenry County Zoning Board of Appeals or where applicable, the McHenry County Hearing Officer, and hereby release such persons from any liability based in whole or in part on the inspection of the parcel in question. That in exchange for the above actions by the Applicant(s), McHenry County agrees that the Zoning Enforcement Officer and/or designated representative, member of the Zoning Board of Appeals or, if applicable, the McHenry County Hearing Officer, will inspect the parcel in question prior to considering the evidence presented upon the above application. In the case of Conditional Use applications, if approved by the McHenry County Board, the Zoning Enforcement Officer and/or designated representative many inspect the property periodically to ensure compliance with the adopting ordinance and any conditions therein.

**ACCEPTANCE OF FEES FOR TRANSCRIPTION SERVICES**

I/We, the applicant(s), verify that I/we are aware of the use of a transcription service utilized by McHenry County to prepare a record of public hearings. Applicant(s) agree to directly reimburse the Department of Planning and Development for all incurred transcript fees and associated costs for hearings before the McHenry County Zoning Board of Appeals or where applicable, the McHenry County Hearing Officer unless determined otherwise by McHenry County. The applicant(s) further recognizes failure to fully reimburse the County prior to the scheduled County Board Date will grant McHenry County the unconditional right to withhold the application from McHenry County Board action. Applicant(s) further understand that transcripts shall be retained by McHenry County as part of the permanent zoning application file.

**ZONING APPLICATION INTERPRETATION**

I/We understand that the McHenry County Department of Planning and Development Staff will review and evaluate this application per the text of the McHenry County Unified Development Ordinance, the Official Zoning Maps, and any relevant documentation provided by the applicant and otherwise available to the Department, and consult with other staff to create a Legal Notice and staff report.

**ACCEPTANCE OF FEES FOR NOTIFICATION**

I/We, the applicant(s), authorize the McHenry County Department of Planning and Development Staff to produce the Legal Notice of Public Hearing to be published and mailed per the requirements of Chapter 16.16 (Zoning Application Process) of the McHenry County Code of Ordinances. I/We agree to reimburse the County for the cost of certified mailing and publication to the newspaper, prior to a vote by the McHenry County Board, in order to meet the notification requirements for a public hearing by Illinois State Statute.

**CORPORATE DISCLOSURE**

Applications shall be brought in the name of the record title owner or the owner(s) of the beneficial interest through authorized agents. If application is made by a corporation or partnership for any zoning map amendment, variation, or conditional use permit, the application and notice shall identify the names and addresses of all officers and directors and all shareholders/stockholders owning an interest in excess of seven and one-half percent (7.5%)

If an owner, officer, director, shareholder/stockholder is another legal entity and not an individual, we require the same information (name, title, address) for that entity.

Name of Entity: McHenry County Jewish Congregation			
Name	Title (officers, directors, shareholders/stockholders)	Address (address, city, state, zip)	Percent of ownership interest

Please attach additional information, if needed.

\*Extracted from Title 16: Unified Development Ordinance §16.16.020 §§ A1-4 (2014).

**Approval Standards for Conditional Use**  
(McHenry County Unified Development Ordinance §16.20.040E)

This form must be completed for requests for conditional use. Yes and No answers are insufficient, please provide a minimum one or two sentence explanation.

1. Please describe how the conditional use meets all applicable standards of UDO §16.56 (Use Standards) and §16.60 (Site Development Standards)?

Applicant intends to convert the existing structure to one single family dwelling unit. He then intends to list the home as one short-term vacation rental on sites like Airbnb, VRBO, or other similar listing sites. There is an existing structure on the property, and it will remain as a single residential dwelling structure when renovations are complete.

2. Is the conditional use compatible with the existing or planned future development of the area?

Yes. The area currently consists of a mix of residential, commercial and agricultural uses. McHenry County's 2030 Plan cites this area, including the subject parcels, as mixed use. The plans for this structure and site are for it to become one single family residence available for short term rental by one renter at a time.

3. Is the conditional use detrimental to or endanger the public health, safety, morals, comfort or general welfare of the area?

No. The conditional use is for a vacation rental of a single family residence. Reasonable use restrictions will be imposed on guests by the applicant such that public health, safety, morals, comfort and general welfare will be protected.

4. Will the conditional use be injurious to the use and enjoyment of other property in the area?

No. The conditional use will have no impact on others' use and enjoyment of their property. All actively on the subject property will be residential in nature and restricted to the boundary lines.

5. Will the conditional use substantially diminish and impair property value in the area?

No. The applicant intends to make substantial improvements to the property such that its value is likely to increase. Welcoming others to the area will increase its general appeal.

6. Are adequate utilities, access roads, drainage, and other necessary facilities provided?

Yes. The property has ample existing access, utilities, and drainage.

7. Has conditional use operation been designed to provide ingress and egress to minimize traffic congestion and hazard on the public streets?

Yes. It is intended that the entire property be rented as a single-family home. As such, no more than normal residential ingress/ egress would be expected.

8. Will the conditional use conform to the applicable standards of the underlying zoning district?

Yes. Simultaneous with this conditional use application, the applicant has requested a reclassification of the underlying zoning district from A1 to the more appropriate E2 classification. Once converted to a single-family home, E2 will be the most appropriate zoning district, and the proposed conditional use is allowed.

9. Will the conditional use be reasonably in the interest of the public welfare?

Yes. The conditional use will allow for needed upgrades and improvements to the structure and will bring visitors to the area for enjoyment of the many amenities in the surrounding communities.

10. Will there be adequate measures taken to provide protection to groundwater recharge and groundwater quality?

Yes. As a single-family residence used for short-term rental, the impact on groundwater recharge and quality is expected to be minimal and in line with normal residential use.

Re: Parcel # 13-25-127-002, 13-25-127-007  
Common Location: 8616 Ridgefield Road, Crystal Lake, IL 60012  
NRI# L24-064-4620  
Zoning Change: A1 to E2

Dear Mr. Kaman:

The McHenry-Lake County Soil and Water Conservation District has carefully reviewed your application for a Natural Resource Information Report on the Brent Hollenberg property as applied for in Report #L24-064-4620. Due to no new construction proposed on the site, the SWCD finds that impact to natural resources from the proposed use is minimal for the purposes of the NRI report. A full Natural Resource Information Report will not be necessary, but we would like to highlight a few resources on the property.

Maps indicate the presence of hydric soils throughout the entirety of parcel 13-25-127-007 and in the majority of parcel 13-25-127-002. Digital wetland inventories are for informational and planning purposes only. Any proposed drainage work, in wet areas, requires a certified wetland delineation. If drainage work is to occur, please contact the Army Corps of Engineers and McHenry County Department of Planning & Development for permit information.

This letter fulfills your requirement to notify the SWCD of land use changes as per the Illinois Compiled State Statutes, Chapter 70, Par. 405/1 et seq. Illinois Revised Statutes, Ch. 5, Par 106 et seq. and the McHenry County Stormwater Ordinance. If you have any questions concerning this letter, feel free to call our office.

Sincerely,

Ryan Bieber  
Urban Conservation Specialist
