

RESOLUTION

Resolution Appropriating FY23 Funding for Snow & Ice Materials – Calcium Chloride (82)

WHEREAS, the McHenry County Division of Transportation desires to maintain the County Highway System in accordance with the McHenry County Snow & Ice Control Policy; and

WHEREAS, snow and ice removal materials are part of the annual maintenance program and budget for the County Highway System; and

WHEREAS, the Suburban Purchasing Cooperative (SPC) has accepted bids and has been confirmed by the Purchasing Department to accept SPC contract #213 for the following materials:

Bid Item	Awarded Bidder	Appropriation Amount
Calcium Chloride	Sicalco, Ltd.	\$40,000.00

NOW THEREFORE BE IT RESOLVED, by this County Board of McHenry County, Illinois, that the ice control material bids as described above are hereby accepted and not to exceed forty thousand dollars (\$40,000.00); and

BE IT FURTHER RESOLVED, by this County Board of McHenry County, Illinois that there is hereby appropriated from the FY2023 budget the sum of forty thousand dollars (\$40,000.00) from the County Option Motor Fuel Tax Fund; Fund-Dept.-Div.-Main Account 262-82-8240-519000 (Highway Materials) for said ice control maintenance material; and

BE IT FURTHER RESOLVED, that these purchases are hereby designated as Section 23-00000-00-GM; and

BE IT FURTHER RESOLVED, that the County Clerk is hereby directed to distribute a certified copy of this resolution to the Chief Financial Officer, the County Auditor and an electronic copy to the Director of Transportation/County Engineer.

DATED at Woodstock, Illinois, this 17th day of January, A.D., 2023.

Michael Buehler, Chairman
McHenry County Board

ATTEST:

Joseph J. Tirio, County Clerk

RESOLUTION

SUBJECT: Resolution Appropriating FY23 Funding for Snow & Ice Materials – Calcium Chloride (82)

Board / Committee Action Requested: For consideration is a resolution appropriating funds for FY2023 liquid calcium chloride.

Background: As an annual expense, the necessary materials are salt, calcium chloride and a natural de-icing product. This purchase is for up to 56,338 gallons of liquid calcium chloride. The NWMC (North West Municipal Conference) offers through the SPC (Suburban Purchasing Cooperative) a competitive bid for liquid calcium chloride. The purchase of calcium chloride through the NWMC was used last year by the MCDOT. This has been coordinated with the McHenry County Purchasing Department. The MCDOT will continue to use SPC contract #213.

Discussion: The calcium chloride will be provided this year by Sicalco, Ltd. of Hinsdale, Illinois. Price per gallon figures have come in at \$0.71 which is an increase of \$0.07 from last year's \$0.64 which has not had an increase in over two years. not been officially released yet in a renewal letter. With the upgraded liquid storage capacity and our increased all liquid snowplow route program the MCDOT is now budgeting \$40,000.00 in FY2023. This is then used to manufacture the MCDOT's enhanced brine (blended "Supermix"). Efforts continue to increase the use of liquid product to reduce reliance on rock salt.

Impact on Human Resources: none

Impact on Budget (Revenue, Expenses, Fringe Benefits): Budgeted amount for this item is \$40,000.00 from County Option Motor Fuel Tax Fund.

Impact on Capital Expenditures: none

Impact on Physical Space: none

Impact on Other County Department or Outside Agencies: none

Conformity to Board Ordinances and Policies: conforms to purchasing ordinance and policies.
