The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records must be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

(iii) Formal agreements with independent contractors, such as consultants, must include a description of the services to be performed, the period of performance, the fee and method of payment, an itemization of travel and other costs which are chargeable to the agreement, and the signatures of both the contractor and an appropriate official of Grantee.

Additionally, Grantee certifies that it has filed the required certification under the Byrd Anti-Lobbying Amendment (31 USC 1352), if applicable.

Grantee warrants and certifies that it and, to the best of its knowledge, its subrecipients have complied and will comply with Illinois Executive Order No. 1 (2007) (EO 1-2007). EO 1-2007 generally prohibits grantees and subcontractors from hiring the then-serving Governor's family members to lobby procurement activities of the State, or any other unit of government in Illinois including local governments, if that procurement may result in a contract valued at over \$25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.
- 8.5. Subawards. Grantee must include the language of this ARTICLE in the award documents for any subawards made pursuant to this Award at all tiers. 13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on

Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339.  - (c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

- 14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds

were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.
- 15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

- 16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. - 18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. - A.1. The sole purpose of this grant is to fund the Grantee's performance of the services described herein during the period of performance of this Agreement. The overall goal of the Illinois WISEWOMAN Program (IWP) is to improve access to cardiovascular (CVD) related preventive health services, including blood pressure and cholesterol screenings and lowering the risk for heart disease through risk reduction counseling, health coaching, and as appropriate, through referral to a lifestyle program (LSP) for eligible Illinois Breast and Cervical Cancer Program (IBCCP) participants: women who are 35 to 64 years old, living at, or below, 250% of the federal poverty level, and currently living in the counties served by the Grantee as indicated in its FY24-25 IWP grant application.

EXHIBIT B
DELIVERABLES OR MILESTONES

The Grantee will provide the following services and agrees to act in compliance with all state and federal statutes and administrative rules applicable to the provision of services pursuant to this Agreement. The grant application submitted by Grantee related to this Agreement is hereby incorporated and made a part of this Agreement.

B.1. The Grantee shall:

B.1.1. Provide cardiovascular screening to all women enrolled in IWP and provide healthy behavior support options to priority populations, in accordance with Centers for Disease Control and Prevention (CDC) Program Guidelines, the IWP Policy and Procedure Manual, and all related Program policy directives. To administer the IWP, the Grantee will perform the following functions:

B.1.1.1. Recruitment: Recruit women for IWP from those who are enrolled in the IBCCP, who meet IWP age and IBCCP/IWP CDC guidelines, and who are scheduled for an annual IBCCP screening office visit. An Integrated Office Visit, as defined in the IWP Policy and Procedure manual, is preferred for all IWP participants, with non-integrated office visits allowed on a limited basis. Upon verbal or written consent from the women recruited, enroll them into IWP and provide IWP services to them. The Program goal is to enroll and provide screening or rescreening services to a caseload assignment of women during the specified grant agreement period, as illustrated by reporting through the IWP component of the Cornerstone Information System.

B.1.1.1.1. Explain the IWP Informed Consent Form, as defined in the IWP Policy and Procedure Manual, and obtain necessary signatures before the Integrated Office Visit.

B.1.1.1.2. Administer the Patient Information Form, as defined in the IWP Policy and Procedure Manual, and forward the completed form to the medical provider prior to the Integrated Office Visit.

B.1.1.1.3. Send each IWP participant a lab order sheet for the appropriate lab tests. Instruct each IWP participant to report to a laboratory facility to have blood drawn for the lab tests within thirty (30) days of the Integrated Office Visit. Ensure the laboratory results are sent to the medical provider conducting the Integrated Office Visit, either directly from the laboratory facility or from the Grantee's IWP staff.

B.1.1.2. Integrated Office Visit: Schedule each IWP participant for an office visit with a contracted medical provider. This office visit must include both IBCCP services and IWP services. For each IWP participant, Grantee will instruct the medical provider to provide the following IWP services:

B.1.1.2.1 During the Integrated Office Visit, review the IWP participant's responses to the patient information form for cardiovascular risk factors or cardiovascular disease in their health history.

B.1.1.2.2 During the Integrated Office Visit, administer, assess and record the required anthropometric measures and forward the results to the Grantee.

B.1.1.2.3 Assess and record the results of the lab tests, if received prior to the Integrated Office Visit, and forward those results to the Grantee.

B.1.1.2.4 If the results of the lab tests and the responses to the patient information questionnaire are received prior to the Integrated Office Visit, provide risk reduction counseling to the IWP participant. Risk reduction counseling must include interpretation of the IWP participant's results and appropriate recommendations in accordance with national clinical care guidelines.

B.1.1.3. Screening Pamphlet: After receiving the results of the Integrated Office Visit, the Grantee will plot the results on a Screening Pamphlet and forward the completed Screening Pamphlet to the IWP participant. The Grantee will then follow-up with the IWP participant and explain, by phone or in person, the plotted results. If the lab results were not received prior to the office visit, the Grantee will also provide risk reduction counseling to the IWP participant.

B.1.1.4. Case Management and Referrals: Provide case management services, as necessary, and make appropriate referrals to all IWP participants in need based upon linkage agreements or subcontracts with all referral sources.

B.1.1.4.2 Upon request by the medical provider conducting the Integrated Office Visit, provide a timely referral to the appropriate medical provider for diagnostic services for IWP participants who have an Abnormal Clinical Value, as defined in the IWP Policy and Procedure Manual. This referral is to be made within three (3) weeks of the Integrated Office Visit.

B.1.1.4.3 Provide timely referral services to all IWP participants who smoke and who express the desire to quit smoking. Referrals shall be done through a written referral agreement with a referral source in the participant's program area or by transmitting a completed Tobacco Treatment Enrollment Form to the Illinois Tobacco Quitline.

B.1.1.4.4 Provide timely referral services to IWP participants in need of additional services (e.g., substance abuse, domestic violence) through a written referral agreement with a referral source, if available, in the participant's program area. Track referrals using the prescribed tracking system.

B.1.1.5. Follow-Up Services: Provide follow-up services to all IWP participants, in accordance with the IWP Policy and Procedure Manual and all Program policy directives. The follow-up services will include the follow-up assessment required by CDC, within thirty (30) days of completion of healthy coaching. In addition, all participants will receive one rescreening reminder by telephone or by mail.

B.1.1.6. Rescreening Services: The Grantee will provide IWP rescreening services to all IWP participants who return for their annual IBCCP exams after their initial Integrated Office Visit. The IWP rescreening services include the Integrated Office Visit, risk reduction counseling, the Screening Pamphlet, referrals as needed, and health coaching/lifestyle program services. IWP participants will be allowed to return for IWP rescreening services each year in conjunction with their IBCCP exams.

B.1.1.7. Healthy Behavior Support Options: The Grantee will provide appropriate healthy behavior support options including health coaching to IWP participants.

B.1.1.7.1 Each grantee will conduct and implement the four-session "Be Wise" health coaching model in group or individual sessions. After the completion of the recommended number of health coaching sessions, Grantee will conduct follow-up assessments and intermediate data collection with the participants, within the prescribed timeframes for each, to determine behavior change and goal achievement.

B.1.1.7.2 Grantee will refer participants to, and/or provide IWP participants with, the approved lifestyle programs that are available in the participant's area.

B.1.1.8. Agreements with Medical Providers: The Grantee must establish referral agreements with medical providers and laboratory facilities within their program area who will conduct required office visits and lab tests for IWP participants. In addition, the Grantee must establish agreements with medical providers within the program area who will conduct appropriate and timely diagnostic services for IWP participants as needed.

B.1.1.8.1 The Grantee must ensure that all medical providers adhere to national guidelines, including the National Cholesterol Education Program, Adult Treatment Panel III Report (ATP III), and the Joint National Committee on Prevention, Detection, Education, and Treatment of High Blood Pressure (JNC VII).
