Award Statement

After Public Posting and e-mail notifications to fifteen area vendors, one submission was received. Continued disruption exists in the vehicle market. Stellantis has extended government pricing for the first time in the past year and a half, but few dealers are accepting fleet orders as they slowly refill consumer retail stock. The Director of Purchasing and the Sheriff's Department Business Manager recommend awarding this contract to this responsible low bidder, Sunnyside Company of McHenry, Illinois.

Vendor	Make/Model	Base Price	Responsive - Responsible
