Dear Mr. Hannion:

The McHenry-Lake County Soil and Water Conservation District has carefully reviewed your application for Natural Resource Information Report on the Clear Channel Outdoor property as applied for in Report #L24-046-4602. Due to minimal new construction, the SWCD finds that impact to natural resources from the proposed use is minimal for the purposes of the NRI report. A full Natural Resource Information Report will not be necessary.

No wetlands, hydric soils, or floodplains were found on the site from office maps. Our inventories are for informational and planning purposes only. Any proposed drainage work, in wet areas, requires a certified wetland delineation. If drainage work is to occur, please contact the Army Corps of Engineers and McHenry County Department of Planning & Development for permit information.

This letter fulfills your requirement to notify the SWCD of land use changes as per the Illinois Compiled State Statutes, Chapter 70, Par. 405/1 et seq. Illinois Revised Statutes, Ch. 5, Par 106 et seq. and the McHenry County Stormwater Ordinance. If you have any questions concerning this letter, feel free to call our office.

Sincerely,

Ryan Bieber
