Award Statement

Journal Technologies provides case management software for the State’s Attorney and Public Defender. The software was originally vetted in 2012 and is a proprietary system. The State’s Attorney and Public Defender are satisfied with this current system and do not desire a new system. This cost is maintenance and support for one year. The IT Director and Director of Procurement & Special Services recommend maintenance and support be renewed with Journal Technologies of West Logan, UT.

Vendor	Service	Cost
Journal Technologies	Case Management Software	\$108,112
