**RESOLUTION**

---

**SUBJECT:** Resolution Authorizing a 1-Year Contract with ReMed Services, LLC of Skokie, IL for the Purchase of Ancillary Medical Equipment, Furnishings, Parts, and other Resident and Facility Needs (61)

---

**Board / Committee Action Requested:**

The staff of Valley Hi routinely purchases medical equipment, resident room and common area furnishings, parts, and other resident and facility needs from ancillary medical providers. Medline Medical and Professional Medical are Valley Hi's current contracted providers for routine medical supplies, but do not always have equipment or parts which need to be purchased through an alternative source. Often Valley Hi staff cannot anticipate what items would be needed for purchase until a resident or facility need occurs. Valley Hi personnel will continue to follow the County's Purchasing Ordinance to obtain pricing, quotes, or RFP's for purchases as warranted and will use the lowest cost provider that can meet the need at that time.

**Background and Discussion:**

ReMed LLC is a vendor that specializes in the sale of medical equipment, parts, furnishings, and other items related to the provision of health care to the Valley Hi residents.

**Impact on Human Resources:**

None

**Impact on Budget (Revenue; Expenses, Fringe Benefits):**

Valley Hi personnel will continue to follow the County's Purchasing Ordinance to obtain pricing, quotes, or RFP's for purchases as warranted and will use the lowest cost provider that can meet the need at that time. All anticipated expenses have been accounted for, and will not exceed, in the Valley Hi operating budget.

**Impact on Capital Expenditures:**

None

**Impact on Physical Space:**

None

**Impact on Other County Departments or Outside Agencies:**

None

**Conformity to Board Ordinances, Policies and Strategic Plan:**
