

To Whom it may concern,
Applying for variance on ~~09~~25-451-035

My name is Deborah Hoffmann, and, my husband is Julius "Ray" Hoffmann.

We are asking for a variance to put a 12'x12' garden shed on our lot facing Glenwood street in Eastwood Manor, McHenry. The lot is connected to our lot that we built our house on in 1968-69. Our home is on the corner of Eastwood and Glenwood. Parcel # 09-25-451-~~000~~010 (dh)

Shed would constructed on the same spot we previously put an above ground pool in 1992, and, were granted a variance for, as well.

Distance of side shed will be 40ft from the road curb and 22 feet from Lot line. It is on Parcel # 09-25-451-~~000~~035 (dh)

The area facing Glenwood is planted with Trees, shrubs and wild Flowers making a beautiful setting

We hope you will consider us for this variance and opportunity to move forward

Sincerely,
Deborah G. Hoffmann
