PREAMBLE

The purpose of this Agreement is to provide an orderly collective bargaining relationship between the Employer and the Union representing the employees in the bargaining units, and to make clear the basic terms upon which such relationship depends. It is the intent of both the Employer and the Union to work together to provide and maintain satisfactory terms and conditions of employment, and to prevent as well as to adjust misunderstandings and grievances relating to employees' wages, hours and working conditions.

In consideration of mutual promises, covenants and agreements contained herein, the parties hereto, by their duly authorized representative and/or agents, do mutually covenant and agree as follows:

ARTICLE I
RECOGNITION

SECTION 1.1: UNIT DESCRIPTION

The Employer recognizes the Union as the sole and exclusive bargaining representative in all matters establishing and pertaining to wages and salaries, hours, working conditions, and other conditions of employment on which it may lawfully bargain collectively for employees within the following collective bargaining unit, as certified by the Illinois State Labor Relations Board:

****INCLUDED:** All employees in the titles of Deputy Investigators, Deputy Coroners, and Secretary/Deputy Coroner.

****EXCLUDED:** All other supervisory, confidential and managerial employees as defined by the Illinois Public Labor Relations Act.

SECTION 1.2: NEW CLASSIFICATIONS

The Employer shall notify the Union within fifteen (15) working days of its decision to implement any and all new classifications pertaining to work of a nature performed by employees within the bargaining unit. The Employer and the Union agree to jointly petition the State Labor Board to seek the necessary unit clarification unless the parties can mutually agree on the addition of the classification to the bargaining unit.

In the event there is a need for the establishment of new classifications including rates of pay, there will be a meeting for the purpose of establishing such classifications and rates by mutual agreement. Where agreement is not reached by the time work

must be started, the Employer may start work at the rate it believes proper. If the rate mutually agreed on differs from that established by the Employer, such rate shall be retroactive to the start of work in the new classification. If the parties fail to agree on such rate within thirty (30) days of the start of work in the classification, the Union may appeal directly to arbitration within the next thirty (30) consecutive calendar days.

ARTICLE XI

VACATIONS

SECTION 11.1: VACATION ACCRUAL

All vacation is computed on continuous County employment. Employees shall accrue paid vacation days, on a pro rata basis, in accordance with the following:

<u>Years of Service</u>	<u>Vacation Days Earned per Year</u>

For the purpose of this section, "pay period" is defined as the bi-weekly period for which pay is issued in which the employee has been employed with the County for at least seven and one half (7.5) days. Employees accrue paid vacation time on a pay period by pay period basis (twenty-six (26) pay period cycle basis), and may use only time already accrued.

Accrual Limits: Employees are allowed to accrue, and, therefore, carry over, up to 150% of their respective annual accrual, and at no time shall their vacation balance exceed the 150% maximum limit. The maximum accrual limits are as follows:

<u>Years of Service</u>	<u>Annual</u>	<u>150% Maximum Limit</u>
Completion of ETP through year 5	10 days	15 days
Beginning year 6 through year 10	15 days	22.5 days
Beginning year 11 and greater	20 days	30 days

At the discretion of the Coroner, employees may use vacation time in the calendar year in which it will be earned but prior to the actual accrual only if the employee agrees in writing that if they leave the employ of the County for any reason, they will repay any used vacation time that has not been earned, or allow for the deduction from their final paycheck of any unearned vacation that was used.

SECTION 11.2: VACATION USAGE

1. A vacation day shall not be charged should a designated holiday fall during an employee's scheduled vacation period.
2. All employees may submit, in writing for approval, (by a date specified by the Coroner) a schedule of desired vacation dates. Conflicts in scheduling will be resolved in favor of the employee with the most seniority. No employee shall be entitled to priority in selecting his/her vacation for more than two weeks.

SECTION 11.3: ACCUMULATED VACATION AT SEPARATION

1. Upon separation, an employee shall be paid for all unused, accrued vacation time based on the employee's current rate of pay at least thirty-one (31) days after his/her final payroll check at the termination of his/her employment.
2. In the event of the employee's death, compensation for all unused accrued vacation allowances shall be paid to the employee's designated life insurance beneficiary or, if none, the employee's estate.

ARTICLE XII

SICK LEAVE

The sick leave program enables employees to accrue benefit time to be used when the employee is incapacitated due to a non-work related illness, injury, or disability, ~~or~~ in conjunction with an approved family medical leave, or for medical appointments. Paid sick leave may be used for family members identified in the Illinois Sick Leave Act and any amendments thereto; currently those family members include: husband, wife, civil partners as defined by the Illinois State Statute (Civil Union Act), child, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent. Sick leave may be used for time missed due to medical appointments if the employee receives prior approval from their supervisor and the appointment is scheduled so that it is not unduly disruptive of the employee's work schedule or the department's operations. If an employee has accrued sick leave benefits, the employee will be paid for approved absences that occur during the employee's normally scheduled work hours.

Formatted: No underline

SECTION 12.1: SICK LEAVE ACCRUAL

Employees shall accrue sick leave as follows: Employees earn sick leave on a pay period by pay period basis (twenty-six pay period (26) cycle basis) and may use only time already earned. Employees will earn twelve (12) sick leave days each year of employment. For the purpose of this section, "pay period" is defined as the bi-weekly period for which pay is issued in which the employee has been employed with the County for at least seven and one half (7.5) days.

Employee ~~hired before 12/1/2015~~ shall be allowed to accrue up to 240 sick days. ~~Employees hired after 11/30/15 shall be allowed to accrue up to 180 sick days.~~ Employees cannot begin a fiscal year with more than 240 ~~or 180 days~~. Employees who have accrued more than 240 ~~or 180~~ sick days as of December 1 of each year will be paid for this unused sick leave. Earned sick days in excess of the 240 ~~or 180~~ will be converted at ~~five (5) two (2)~~ sick days in exchange for one (1) regular day.

A probationary employee does not earn sick time during the probationary period but will receive three (3) days sick time credit at the successful completion of the probationary period.

An employee is required to notify the Coroner or designee, in the case of absence from work due to illness or illness in the employee's immediate family, as far as possible in advance of the starting time for the scheduled work day. If an employee misses more than one (1) day of work, the employee is still required to call their supervisor each day of their absence.

Sick pay for hours not worked is excluded when computing overtime for that week. Sick leave is not earned during any personal leave of absence.

An employee may be required to provide a physician's statement when returning to work after the use of three (3) or more consecutive sick days or upon the Coroners reasonable belief that the employee is abusing sick leave. Employees who are unable to return to work upon expiration of sick pay benefits must request a leave of absence. The Coroner reserves the right to require an employee using sick leave to be examined by a physician appointed by the Coroner at the County's expense.

The Coroner and SEIU Local 73 mutually discourage the abuse of sick leave. An employee may be disciplined if the employee's attendance record reflects abuse.

SECTION 12.2: PENSION BENEFIT AT RETIREMENT

At retirement, an employee's sick leave days may be credited as days worked for purposes of pension benefits, pursuant to rules of the Illinois Municipal Retirement Fund.

ARTICLE XIII

made by the Coroner with the Court. Employees shall receive copies of appropriate documentation regarding such arrangements.

Employees are to notify the Coroner immediately upon receipt of a jury notice so that arrangements can be made to cover their assignments.

Employees required to report for jury duty or jury service will receive full pay for time not worked while serving on jury duty for the term of the jury service, provided they turn their jury pay, including mileage, over to the McHenry County Payroll. ~~Any money received specifically for travel, meals, and/or lodging expenses may be retained by the employee.~~

If a benefit is canceled, the rules and regulations of the carrier shall apply when the employee returns and seeks such coverage.

If an unpaid leave of absence is granted, regardless of its duration, there is no guarantee that the employee's job will remain unfilled or that the position will not be eliminated or changed by reorganization. If the employee's job is still vacant upon the conclusion of the leave of absence, the employee shall resume the position with the same status. Employees must understand that there is no guarantee of reinstatement to any position in the Coroner's Office upon completion of the leave.

If the employer is required to pay an excise tax or penalty under the Affordable Care Act (ACA) or any similar state or federal legislation or regulation for any coverage option, then the employee's monthly insurance contributions will be increased on a dollar-for-dollar basis to offset the amount of the tax/penalty paid by the Employer.

Notwithstanding the above, it is understood and agreed that the Employer may make necessary changes so such coverage will (1) comply with the Affordable Care Act and any other federal or state health care laws; (2) not result in the imposition, directly or indirectly, of an excise tax for high-cost coverage ("Cadillac Tax") under the ACA or any similar state or federal legislation or regulation; or (3) ensure the Employer is not subject to any penalties or fees because employees are eligible to obtain insurance through a health insurance exchange in accordance with the ACA or any federal or state health care law(s). If such changes are deemed reasonably necessary by the Employer, the Employer will provide the Union with written notice and an opportunity to discuss the changes provided such discussions shall not operate to delay the Employer's implementation of such changes.

Nothing herein shall be construed as limiting the Employer's right to offer alternative medical plans to bargaining unit employees and their eligible dependents on a voluntary basis. The foregoing shall not be construed as an obligation on the part of the Employer to retain an employee on active status throughout the period of rehabilitation if it is appropriately determined that the employee's current use of alcohol or drugs prevents such individual from performing his duties or whose continuance on active status would constitute a direct threat to the property or safety of others. Such employees shall be afforded the opportunity to use accumulated paid leave or take an unpaid leave of absence, at the employee's option, pending treatment. The foregoing shall not limit the Employer's right to discipline employees for misconduct provided such discipline shall not be increased or imposed due to alcohol or drug abuse.

APPENDIX A

DRUG TESTING

STATEMENT OF POLICY

~~It is the policy of the Employer that the public has the right to expect persons employed by the Employer to be free from the effects of drugs and alcohol. As the Employer, it has the right to expect its employees to report for work fit and able for duty. The purpose of this policy shall be achieved in such a manner as not to violate any established rights of the employees.~~

PROHIBITIONS

~~Employees shall be prohibited from:~~

- ~~(a) Consuming or possessing alcohol (unless in accordance with duty requirements) or illegal drugs at any time during the work day or anywhere on any County premises or job sites, including all Employer buildings, properties, vehicles and while engaged in Employer's business;~~
- ~~(b) Illegally selling, purchasing or delivering any illegal drug during the work day or on the Employer's premises;~~
- ~~(c) Failing to report to their supervisor any known adverse side effects of medication or prescription drugs, which they are taking.~~

DRUG AND ALCOHOL TESTING PERMITTED

~~Where the Employer has reasonable suspicion to believe that an employee is then under the influence of alcohol or illegal drugs during the course of the workday, the Employer shall have the right to require the employee to submit to alcohol or drug testing as set forth in this Agreement. The Employer or his designated representative must certify their reasonable suspicions concerning the affected employee prior to any order to submit to the testing authorized herein. There shall be no random or unit wide testing of employees, except random~~

~~testing of an individual employee as authorized in Section below. The foregoing shall not limit the right of the Employer to conduct such tests as it may deem appropriate for persons seeking employment as employees prior to their date of hire.~~

~~ORDER TO SUBMIT TO TESTING~~

~~Within eight (8) hours after the time an employee is ordered to submit to testing authorized by this Agreement, the Employer shall provide the employee with a written notice of the order, setting forth all of the objective facts and reasonable inferences drawn from those facts which have formed the basis of the order to test. Refusal to submit to such testing may subject the employee to discipline, but the employee's taking of the test shall not be construed as a waiver of any objection or right that he may have. The employee must take the test within sixty (60) minutes for alcohol and four (4) hours for drugs of being ordered to do so or it shall be deemed a refusal.~~

~~TEST TO BE CONDUCTED~~

~~In conducting the testing authorized by this Agreement, the Employer shall:~~

- ~~(a) Use only a clinical laboratory or hospital facility that is licensed pursuant to the Illinois Clinical Laboratory Act that has or is capable of being accredited by the National Institute of Drug Abuse (NIDA);~~
- ~~(b) Establish a chain of custody procedure for both sample collection and testing that will insure the integrity of the identity of each sample and test result;~~
- ~~(c) Collect a sufficient sample of the same body fluid or materials from an employee to allow for initial screening, a confirmatory test and a sufficient amount to be set aside reserved for later testing if requested by the employee;~~
- ~~(d) Collect samples in such a manner as to insure high degree of security for the sample and its freedom from adulteration;~~

- ~~(e) Confirm any sample that tests positive in the initial screening for drugs by testing the second portion of the same sample by gas chromatography mass spectrometry (GCMS) or an equivalent or better scientifically accurate and accepted method that provides quantitative data about the detected drug or drug metabolites;~~
- ~~(f) Provide the employee tested with an opportunity to have the additional sample tested by a clinical laboratory or hospital facility of the employee's own choosing, at the employee's own expense provided the employee notifies the Employer within seventy-two (72) hours of receiving the results of the tests;~~
- ~~(g) Require that the laboratory or hospital facility report to the Employer that a blood or urine sample is positive only if both the initial screening and confirmation test are positive for a particular drug. The parties agree that should any information concerning such testing or the results thereof be obtained by the Employer inconsistent with the understandings expressed herein, the Employer will not use such information in any manner or form adverse to the employee's interests;~~
- ~~(h) Require that with regard to alcohol testing, for the purpose of determining whether the employee is under the influence of alcohol, test results that show an alcohol concentration of .04 or more based upon the grams of alcohol per 100 milliliters of blood be considered positive. If a test is greater than 0.0 but less than .04, the employee shall be presumed to be not under the influence of alcohol. If the test is .10 or greater, the employee shall be conclusively presumed to be under the influence of alcohol. If the test is less than .04, the Employer shall not be precluded from demonstrating the employee was under the influence, however, no presumption will be~~

~~attached to said results and the Employer shall bear the burden of proof in such cases;~~

- ~~(i) Provide each employee tested with a copy of all information and reports received by the Employer in connection with the testing and the results;~~
- ~~(j) Insure that no employee is the subject of any adverse employment action except temporary reassignment or relief from duty during the pendency of any testing procedure.~~

RIGHT TO CONTEST

~~The Chapter and/or the employee, with or without the Chapter, shall have the right to file a grievance concerning any testing permitted by this Agreement, contesting the basis for the order to submit to the tests, the right to test, the administration of the tests, the significance and accuracy of the tests, the consequences of the testing or results or any other alleged violation of this Agreement. Such grievances shall be commenced at Step 2 of the grievance procedure. It is agreed that the parties in no way intend to restrict, diminish, or otherwise impair any legal rights that employees may have with regard to such testing. Employees retain any such rights as may exist and may pursue the same at their own discretion, with or without the assistance of the Union.~~

VOLUNTARY REQUESTS FOR ASSISTANCE

~~The Employer shall take no adverse employment action against an employee who voluntarily seeks treatment, counseling or other support for an alcohol or drug related problem, prior to an order to test, other than the Employer may require reassignment or temporary suspension of the employee if he is then unfit for duty in his current assignment. All such requests shall be confidential and any information received by the Employer, through whatever means, shall not be used in any manner adverse to the employee's interest, except reassignment as described above.~~

DISCIPLINE

~~In the first instance that an employee tests positive on both the initial and confirmatory test for drugs or is found to be under the influence of alcohol, and all employees who voluntarily seek assistance with drug and/or alcohol related problems, shall not be subject to any disciplinary or other adverse employment action by the Employer. The foregoing is conditioned upon:~~

- ~~(a) The employee agreeing to appropriate treatment as determined by the physician(s) involved;~~
- ~~(b) The employee discontinues his use of illegal drugs or abuse of alcohol;~~
- ~~(c) The employee completes the course of treatment prescribed, including an "after-care" group for a period of up to twelve (12) months;~~
- ~~(d) The employee agrees to submit to random testing during hours of work during the period of "after care."~~

~~Employees who do not agree to or who do not act in accordance with the foregoing, or who test positive for a second or subsequent time for the presence of illegal drugs or alcohol during the hours of work shall be subject to discipline up to and including discharge.~~

~~The foregoing shall not be construed as an obligation on the part of the Employer to retain an employee on active status throughout the period of rehabilitation if it is appropriately determined that the employee's current use of alcohol or drugs prevents such individual from performing his duties or whose continuance on active status would constitute a direct threat to the property or safety of others. Such employees shall be afforded the opportunity to use accumulated paid leave or take an unpaid leave of absence, at the employee's option, pending treatment. The foregoing shall not limit the Employer's right to discipline employees for misconduct provided such discipline shall not be increased or imposed due to alcohol or drug abuse.~~

APPENDIX AB

MOTOR VEHICLE RECORD (MVR) PROGRAM

PURPOSE: The purpose of this program is to establish a written process to ensure the consistent administration of the Motor Vehicle Record (MVR) program and all County drivers are familiar with its provisions. This program complies with requirements of the County excess liability auto insurance carrier.

SCOPE: This program applies to all County employees and volunteers who may drive a County owned or leased vehicle within the scope of their employment, including employees driving privately owned vehicles used within the scope of County business.

STATEMENT OF POLICY: The County is committed to promoting the safe, proper and professional operations of all motor vehicles the County owns or leases, or those privately owned vehicles operated within the scope of County business. The potential of vehicle accidents within the County increases as a driver's MVR deteriorates. A MVR program helps to control vehicle accident exposures created by these drivers. Drivers with an excessive number of moving violations and/or accidents on their MVR have a higher risk of future accidents and represent unnecessary liability and risk exposure to the County. The intention of the MRV program is to safeguard people, protect equipment, reduce operating costs, and reduce the frequency and severity of accidents involving a County owned or leased vehicle. The County reserves the right to deny or revoke driving privileges of any employee in the event it is determined that the individual's use of the vehicle poses a risk to the County or the public. The State of Illinois allows MVRs to be run going back only three (3) years.

PROCEDURE:

1. Driver selection is a one-time process; however, ensuring the driver remains qualified is an ongoing process. Therefore, Risk Management will run annual MVRs, but no less than every two (2) years, on individuals that regularly or occasionally drive a County owned or leased vehicle and individuals that drive their privately owned vehicles on County business. Risk Management will review MVRs with Department Heads, when necessary.
2. If employee is subject to the Federal Motor Carrier Safety Regulations, a list of all motor vehicle convictions or forfeitures for bond or collateral during the preceding 12 months shall be provided. CDL holders must notify their supervisor before the end of business day following receipt of a license suspension or revocation.
3. A signed authorization in a format generally consistent with Attachment A attached hereto and made a part hereof shall remain on file and shall serve as ongoing authorization for the County to procure MVRs any time during employment.
4. Effective 12/1/2015, prospective employees will be required to report all accidents and moving violations at the time of hire. Existing employees moving into a driving position will be required to complete the Annual Certification of Violations and Accident form and sign a MVR authorization form. At the time of transition, Risk Management will run a MVR.
5. All employees, including volunteers and employees that drive a privately owned vehicle on County business, are required to complete the Annual Certification of Violations and

Accident form in a format generally consistent with Attachment B attached hereto and made a part hereof.

6. All employees, including volunteers and employees driving a privately owned vehicle on County business shall meet the MVR standards as outlined in this program.
7. Should an employee who drives a County owned or leased vehicle be involved in an accident, on or off the job, where their license is suspended or revoked, the employee is obligated to inform their immediate supervisor and Risk Management within 24 hours of the accident. Failure to inform the County of a suspended or revoked license may result in corrective action that could include dismissal.
8. Following any at-fault accident, Risk Management will run a MVR.

STANDARDS FOR MVR:

1. All drivers must be at least 21 years of age and have a valid United States drivers' license for the last three (3) years and, where necessary, if required by job duties in the proper class and appropriate endorsements, for the vehicle the driver seeks to drive.
2. Departments cannot add an employee with a "borderline" or "poor" MVR to their driver list. Grading of MVRs based on the table below, as minimum requirements.
3. An employee that MVR falls into the "borderline" category must have their driving record reviewed by Risk Management, their Department Head, and the County's auto liability insurance carrier.
4. A new hire with an MVR that falls into the "borderline" or "poor" MVR will not be hired for driving tasks. The minimum requirements for grading MVRs are based upon the criteria set forth below.
5. Driving records must remain "acceptable" or "clear" based upon the criteria set forth below for continued employment/volunteering in positions with driving duties.
6. An employee whose MVR grading is "poor" may not drive within the scope of their employment.
7. Illinois limits MVRs to past three (3) years drivers record.
8. An At-Fault accident is any accident the driver is cited with a violation, negligently contributes to the incident, or any single vehicle accident where the cause is not equipment related.

*If it is not possible to shift employee to a non-driving job, the department will increase level of control. This may include defensive driving training or re-training, restricted driving, and/or other corrective action or disciplinary action up to and including termination

A driver is offered probation a maximum of two (2) times. Any violations of any type following two (2) probationary periods, will lead to the immediate revocation of driving work tasks and driving privileges until the MRV improves.

Refer exceptions to these guidelines to Risk Management. After consultation with the County auto liability insurance carrier, Risk Management will submit a written response to the exception. The auto insurance carrier will be consulted on any/all MVRs not meeting the minimum criteria.

Since breach of this program places a driver in danger, any employee in violation of this program will be subject to corrective action that could result in temporary or permanent loss of driving privileges, suspension, or termination of employment.

PROSPECTIVE EMPLOYEE

All prospective employees whose job will involve driving a County owned or leased vehicle or a privately owned vehicle on County business will be required to list all accidents and moving violations they have had in the past three (3) years on the employment application. A prospective employee will not qualify to drive a County owned or leased vehicle if, during the past three (3) years, the driver has any of the following experiences:

- Convicted of a felony.
- Convicted of sale, handling or use of drugs.
- Had automobile insurance canceled, declined or not renewed.

The rules and procedures regarding the period of probation and removal of driving privileges will apply as outlined above if another moving violation or preventable accident occurs.

RECORDKEEPING

To protect driver confidentiality, Risk Management shall maintain MVRs in a secured location with controlled access by authorized personnel for a period of five (5) years. There may be circumstances that require a longer record retention.

PROGRAM REVIEW

The County reserves the right to make exceptions and changes to this program as deemed necessary. The Safety/Security Committee will review the program, as needed, but no less than every three (3) years from the

**MOTOR VEHICLE RECORDS CHECK
DISCLOSURE AND RELEASE**

I _____ give my authorization and consent for the County of McHenry to complete a background check on my previous driving record in accordance with the County's MVR policy. As part of this procedure, the County has my permission to order MVRs from all states in which I currently hold and previously held a driver's license. I understand the County has established MVR review criteria against which my driving history will be compared to determining my driving eligibility. I further understand that failure to grant consent to the County to conduct such a background check means, at a minimum that I forfeit my driving privileges. In the event that I forfeit my driving privileges, I understand that if my job duties include driving, my duties will be reviewed to determine whether I can continue my position without driving and, if so, which additional non-driving duties the County will require me to perform.

I authorize without reservation, any party or agency contacted to furnish the above-mentioned information. I agree to release any agent that the County retains in connection with securing my MVR for all liability arising from its access to or disclosure of information under this form.
