Part 2: General Conditions

The following are general conditions of approval and procedural guidelines to which all projects are subject. Signatories of this Agreement certify that these conditions and procedures and the conditions and procedures specific to this project will be adhered to unless amended in writing.

- 1. **Compliance/Governing Law.** The terms of this Agreement shall be construed in accordance with the laws of the State of Illinois. Any obligations and services performed under this Agreement shall be performed in compliance with all applicable state and federal laws.
- 2. **Availability of Appropriation.** This Agreement is contingent upon and subject to the availability of funds. CMAP, at its sole option, may terminate or suspend this Agreement, in whole or in part, without

penalty or further payment being required, if (1) the Illinois General Assembly or the federal funding source fails to make an appropriation sufficient to pay such obligation, or if funds needed are insufficient for any reason, or (2) the Illinois Department of Transportation determines, in its sole discretion or as directed by the Office of the Governor, that a reduction is necessary or advisable based upon actual or projected budgetary considerations. GOVERNMENTAL BODY will be notified in writing of the failure of appropriation or of a reduction or decrease.

3. **Audits.** The records and supportive documentation for all completed projects are subject to an on-site audit by CMAP. CMAP reserves the right to inspect and review, during normal working hours, the work papers of the independent auditor in support of their audit report.
4. **Records.** The GOVERNMENTAL BODY shall maintain, for a minimum of **three years** after the completion of the Agreement, adequate books, records and supporting documents related to the Agreement which shall be made available for review upon request. Failure to maintain the books, records and supporting documents required by this Section shall establish a presumption in favor of CMAP for the recovery of any funds paid by CMAP under the Agreement for which adequate books, records and supporting documentation are not available to support their purported disbursement.
5. **Cost Category Transfer Request.** Notification to CMAP is required for all transfers among appropriated cost categories. No transfer of funds can exceed the total Agreement. The GOVERNMENTAL BODY must submit a written report (form provided by CMAP) to CMAP detailing the amount of transfer, the cost categories from and to which the transfer is to be made, and rationale for the transfer.
6. **Procurement Procedures.** All procurement transactions for Contractual Services, Commodities and Equipment shall be conducted in a manner that provides maximum open and free competition. The GOVERNMENTAL BODY shall also meet the following minimum procedural requirements.
 - a. Subcontracting: Subcontracting, assignment or transfer of all or part of the interests of the GOVERNMENTAL BODY concerning any of the obligations covered by this Agreement is prohibited without prior written consent of CMAP.
 - b. Procurement of Goods or Services: For purchases of products or services with any Agreement funds that cost more than \$3,000 but less than \$10,000, the GOVERNMENTAL BODY shall obtain price or rate quotations from an adequate number (at least three) of qualified sources. Procurement of products or services with any Agreement funds that are in excess of \$10,000 will require the GOVERNMENTAL BODY to use the Invitation for Bid process or the Request for Proposal process. In the absence of formal codified procedures of the GOVERNMENTAL BODY, the procedures of CMAP will be used, provided that the procurement procedures conform to the provisions in Part 3 (K) below. The GOVERNMENTAL BODY may only procure products or services from one source with any Agreement funds if: (1) the products or services are available only from a single source; or (2) CMAP authorizes such a procedure; or (3) after solicitation of a number of sources, competition is determined inadequate.
 - c. **Records.** The GOVERNMENTAL BODY shall maintain records sufficient to detail the significant history of procurements. These records shall include, but are not necessarily limited to: information pertinent to rationale for the method of procurement, selection of contract type, contractor selection or rejection, and basis for the cost or price.
 - d. No GOVERNMENTAL BODY employee shall participate in the procurement of products or services if a conflict of interest, real or apparent, would be involved. No employee shall solicit or accept anything of monetary value from bidders or suppliers.
7. **Method of Payment.** Project expenditures are paid directly from federal and/or state funds. Because CMAP is responsible for obtaining federal reimbursement for project expenditures, it is necessary that CMAP monitor all procedures and documents which will be used to claim and support project-related expenditures. The following procedures should be observed to secure payment:
 - a. **Invoices.** The amount shown on each invoice shall be in accordance with the rates established in the Estimated Budget by the GOVERNMENTAL BODY and on file at CMAP. All non-labor costs, if allowable, shall be listed and itemized as provided in Part B.

Any invoices/bills issued by the GOVERNMENTAL BODY to CMAP pursuant to this Agreement shall be emailed to the following address:

jallen@cmap.illinois.gov

All invoices shall be signed by an authorized representative of the GOVERNMENTAL BODY.

- b. **Billing and Payment.** All invoices for services performed and expenses incurred by GOVERNMENTAL BODY for the services of this Agreement must be presented to CMAP no later than July 15 (fifteen days) after the end of this Agreement. Notwithstanding any other provision of this Agreement, CMAP shall not be obligated to make payment to GOVERNMENTAL BODY on invoices presented after said date. No payments will be made for services performed prior to the effective date of this Agreement. CMAP will send all payments to the GOVERNMENTAL BODY's remittance address listed in this Agreement.
8. **Termination.** If CMAP is dissatisfied with the GOVERNMENTAL BODY's performance or believes that there has been a substantial decrease in the GOVERNMENTAL BODY's performance, CMAP may give written notice that remedial action shall be taken by CMAP within seven (7) calendar days. If such action is not taken within the time afforded, CMAP may terminate the Agreement by giving seven (7) days written notice to the GOVERNMENTAL BODY. Additionally, CMAP may terminate the Agreement by giving thirty (30) days written notice. In either instance, the GOVERNMENTAL BODY shall be paid for the value of all authorized and acceptable work performed prior to the date of termination, based upon the payment terms set forth in the Agreement.
9. **Location of Services.** Service to be performed by the GOVERNMENTAL BODY shall be performed as described in Part 4.
10. **Allocation of Agreement Funds.** The GOVERNMENTAL BODY may spend only those funds which will be reimbursed by both CMAP or by the Federal government. This Agreement authorizes the GOVERNMENTAL BODY to spend no more than the limit of compensation as identified in Part 5 Compensation for Services in this Agreement. The GOVERNMENTAL BODY is required to provide the local match as outlined in Part 5 Compensation for Services in this Agreement.
11. **Equipment Inventory.** An inventory of non-expendable personal property having a useful life of more than two years and an acquisition cost of \$500 or more is subject to periodic inspection by CMAP.
12. **Ownership of Documents/Title of Work.** All documents, data and records produced by the GOVERNMENTAL BODY in carrying out the GOVERNMENTAL BODY's obligations and services hereunder, without limitation and whether preliminary or final, shall become and remain the property of CMAP. CMAP shall have the right to use all such documents, data and records without restriction or limitation and without additional compensation to the GOVERNMENTAL BODY. All documents, data and records utilized in performing research shall be available for examination by CMAP upon request. Upon completion of the services hereunder or at the termination of this Agreement, all such documents, data and records shall, at the option of CMAP, be appropriately arranged, indexed and delivered to CMAP by the GOVERNMENTAL BODY.
13. **Software.** All software and related computer programs produced and developed by the GOVERNMENTAL BODY (or authorized contractor or subcontractor thereof) in carrying out the GOVERNMENTAL BODY's obligation hereunder, without limitation and whether preliminary or final, shall become and remain the property of both CMAP and the GOVERNMENTAL BODY. CMAP shall be free to sell, give, offer or otherwise provide said software and related computer programs to any other agency, department, commission, or board of the State of Illinois, as well as any other agency, department, commission, board, or other governmental entity of any country, state, county, municipality, or any other unit of local government or to any entity consisting of representative of any unit of government, for official use by said entity. Additionally, CMAP shall be free to offer or otherwise provide said software and related computer programs to any current or future contractor.

CMAP agrees that any entity to whom the software and related computer programs will be given, sold or otherwise offered shall be granted only a use license, limited to use for official or authorized purposes, and said entity shall otherwise be prohibited from selling, giving or otherwise offering said software and related computer programs without the written consent of both CMAP and the GOVERNMENTAL BODY.

14. **Confidentiality Clause.** Any documents, data, records, or other information given to or prepared by the GOVERNMENTAL BODY pursuant to this Agreement shall not be made available to any individual or organization without prior written approval by CMAP. All information secured by the GOVERNMENTAL BODY from CMAP in connection with the performance of services pursuant to this Agreement shall be kept confidential unless disclosure of such information is approved in writing by CMAP.
15. **Reporting/Consultation.** The GOVERNMENTAL BODY shall consult with and keep CMAP fully informed as to the progress of all matters covered by this Agreement.
16. **Indemnification.** Unless prohibited by State law, the GOVERNMENTAL BODY agrees to hold harmless and indemnify CMAP, and its officials, employees, and agents, from any and all losses, expenses, damages (including loss of use), suits, demands and claims, arising out of any work or services performed by the GOVERNMENTAL BODY and/or the GOVERNMENTAL BODY's employees, officials, agents, contractors and subcontractors in connection with this Agreement and shall defend any suit or action, whether at law or in equity, based on any alleged injury or damage of any type arising from the actions or inactions of the GOVERNMENTAL BODY and/or the GOVERNMENTAL BODY's employees, officials, agents, contractors and subcontractors, and shall pay all damages, judgments, costs, expenses, and fees, including attorney's fees, incurred by CMAP and its officials, employees and agents in connection therewith.
17. **Equal Employment Opportunities -- Affirmative Action Sexual Harassment.** GOVERNMENTAL BODY must comply with the Illinois Board of Human Rights Act and rules applicable to public funds, including equal employment opportunity, refraining from unlawful discrimination, and having written sexual harassment policies (**775 ILCS 5/2-105**).

This applies to contracts that exceed \$10,000 (30 ILCS 582).
19. **Forced Labor.** The GOVERNMENTAL BODY certifies it complies with the State Prohibition of Goods from forced Labor Act, and certifies that no foreign-made equipment, materials, or supplies furnished to CMAP under this Agreement have been or will be produced in whole or in part by forced labor, or indentured labor under penal sanction (30 ILCS 583).

The GOVERNMENTAL BODY recognizes that federal laws, regulations, policies, and administrative practices may be modified from time to time and those modifications may affect project implementation. The GOVERNMENTAL BODY agrees that the most recent federal requirements will apply to the project as authorized by 49 U.S.C. Chapter 53, Title 23, United States Code (Highways), the Moving Ahead for Progress in the 21st Century Act (MAP-21), the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU), as amended by the SAFETEA-LU Technical Corrections Act of 2008, or other Federal laws.

C. Nondiscrimination Assurance As required by 49 U.S.C. 5332 (which prohibits discrimination on the basis of race, color, creed, national origin, sex, or age, and prohibits discrimination in employment or business opportunity), Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000d, and U.S. DOT regulations, "Nondiscrimination in Federally-Assisted Programs of the Department of Transportation--Effectuation of Title VI of the Civil Rights Act," 49 CFR Part 21 at 21.7, the GOVERNMENTAL BODY assures that it will comply with all requirements of 49 CFR Part 21; FTA Circular 4702.1B, "Title VI and Title VI - Dependent Guidelines for Federal Transit Administration Recipients," and other applicable directives, so that no person in the United States, on the basis of race, color, national origin, creed, sex, or age will be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in any program or activity (particularly in the level and quality of transportation services and transportation-related benefits) for which the GOVERNMENTAL BODY receives federal assistance.

Specifically, during the period in which federal assistance is extended to the project, or project property is used for a purpose for which the federal assistance is extended or for another purpose involving the

provision of similar services or benefits, or as long as the GOVERNMENTAL BODY retains ownership or possession of the project property, whichever is longer, the GOVERNMENTAL BODY assures that:

1. Each project will be conducted, property acquisitions will be undertaken, and project facilities will be operated in accordance with all applicable requirements of 49 U.S.C. 5332 and 49 CFR Part 21, and understands that this assurance extends to its entire facility and to facilities operated in connection with the project.

- D. Control of Property** The GOVERNMENTAL BODY certifies that the control, utilization and disposition of property or equipment acquired using federal funds is maintained according to the provisions of 2 CFR Part 200, Subpart D, Property Standards.
- E. Cost Principles** The GOVERNMENTAL BODY certifies that the cost principles and indirect cost proposals of this Agreement are consistent with 2 CFR Part 200, Subpart E, and Appendix VII to Part 200, and all costs included in this Agreement are allowable under 2 CFR Part 200, Subpart E, and Appendix VII to Part 200.
- F. Debarment** The GOVERNMENTAL BODY shall comply with Debarment provisions as contained in 2 CFR Part 1200, as amended. The GOVERNMENTAL BODY certifies that to the best of its knowledge and belief, the GOVERNMENTAL BODY and the GOVERNMENTAL BODY'S principals: a) are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from covered transactions by any federal department or agency; b) within a three-year period preceding this Agreement have not been convicted of or had a civil judgment rendered against it for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain or performing a public (federal, state or local) transaction or contract under a public transaction, violation of federal or state anti-trust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property; c) are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any of the offenses enumerated in subsection (b), above; and d) have not within a three-year period preceding this Agreement had one or more public transactions (federal, state or local) terminated for cause or default.

The inability of the GOVERNMENTAL BODY to certify to the certification in this section will not necessarily result in denial of participation in this Agreement. The GOVERNMENTAL BODY shall submit an explanation of why it cannot provide the certification in this section. This certification is a material representation of fact upon which reliance was placed when CMAP determined whether to enter into this transaction. If it is later determined that the GOVERNMENTAL BODY knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, CMAP may terminate this Agreement for cause. The GOVERNMENTAL BODY shall provide immediate written notice to CMAP if at any time the GOVERNMENTAL BODY learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. The terms "covered

transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this Part shall have the meaning set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549.

The GOVERNMENTAL BODY agrees that it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible or voluntarily excluded from participation in this covered transaction, unless authorized, in writing, by CMAP. The GOVERNMENTAL BODY agrees that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction,” provided by CMAP, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions. The GOVERNMENTAL BODY may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible or voluntarily excluded from the covered transaction, unless the GOVERNMENTAL BODY knows the certification is erroneous. The GOVERNMENTAL BODY may decide the method and frequency by which it determines the eligibility of its principals. The GOVERNMENTAL BODY may, but is not required to, check the Non-procurement List. If the GOVERNMENTAL BODY knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible or voluntarily excluded from participation, in addition to other remedies available to the federal government, CMAP may terminate this Agreement for cause or default.

Nothing contained in this section shall be construed to require establishment of a system of records in order to render in good faith the certification required by this section. The knowledge and information of the GOVERNMENTAL BODY is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

G. Audit Requirements The GOVERNMENTAL BODY certifies that it will comply with the requirements of 2 CFR Part 200, Subpart F, which sets forth standards for obtaining consistency and uniformity for the audit of non-Federal entities expending Federal awards. In particular, Section 200.501 requires the following:

a) *Audit required.* A non-Federal entity that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single or program-specific audit conducted for that year.

(b) *Single audit.* A non-Federal entity that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single audit conducted except when it elects to have a program-specific audit.

(c) *Program-specific audit election.* When an auditee expends Federal awards under only one Federal program (excluding R&D) and the Federal program's statutes, regulations, or the terms and conditions of the Federal award do not require a financial statement audit of the auditee, the auditee may elect to have a program-specific audit. A program-specific audit may not be elected for R&D unless all of the Federal awards expended were received from the same Federal agency, or the same Federal agency and the same pass-through entity, and that Federal agency, or pass-through entity in the case of a subrecipient, approves in advance a program-specific audit.

(d) *Exemption when Federal awards expended are less than \$750,000.* A non-Federal entity that expends less than \$750,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, except as noted in §200.503 Relation to other audit requirements, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO).

(e) Except for the provisions for biennial audits provided in paragraphs (a) and (b), audits required by this part must be performed annually. Any biennial audit must cover both years within the biennial period.

(1) A state, local government, or Indian tribe that is required by constitution or statute, in effect on January 1, 1987, to undergo its audits less frequently than annually, is

permitted to undergo its audits pursuant to this part biennially. This requirement must still be in effect for the biennial period.

(2) Any nonprofit organization that had biennial audits for all biennial periods ending between July 1, 1992, and January 1, 1995, is permitted to undergo its audits pursuant to this part biennially.

(f) The audit must be completed; the data collection form described in Appendix X to Part 200 and reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's report(s), or nine months after the end of the audit period.

(g) *Reporting package.* The reporting package must include the following:

(1) Financial statements and schedule of expenditures of Federal awards discussed in §200.510 Financial statements, paragraphs (a) and (b), respectively;

(2) Summary schedule of prior audit findings discussed in §200.511 Audit findings follow-up, paragraph (b)

(3) Auditor's report(s) discussed in §200.515 Audit reporting; and

(4) Corrective action plan discussed in §200.511 Audit findings follow-up, paragraph (c).

- H. Drug Free Workplace** The GOVERNMENTAL BODY certifies that it will comply with the requirements of the federal Drug Free Workplace Act, 41 U.S.C. 702 as amended, and 49 CFR 32.
- I. Disadvantaged Business Enterprise Assurance** In accordance with 49 CFR 26.13(a), as amended, the GOVERNMENTAL BODY assures that it shall not discriminate on the basis of race, color, national origin, or sex in the implementation of the project and in the award and performance of any third party contract, or subagreement supported with Federal assistance derived from the U.S. DOT or in the administration of its Disadvantaged Business Enterprise (DBE) program or the requirements of 49 CFR Part 26, as amended. The GOVERNMENTAL BODY assures that it shall take all necessary and reasonable steps set forth in 49 CFR Part 26, as amended, to ensure nondiscrimination in the award and administration of all third party contracts and subagreements supported with Federal assistance derived from the U.S. DOT. The GOVERNMENTAL BODY'S DBE program, as required by 49 CFR Part 26, as amended, will be incorporated by reference and made a part of this Agreement for any Federal assistance awarded by FTA or U.S. DOT. Implementation of this DBE program is a legal obligation of the GOVERNMENTAL BODY, and failure to carry out its terms shall be treated as a violation of the Agreement. Upon notification by the Federal Government or CMAP to the GOVERNMENTAL BODY of its failure to implement its approved DBE program, the U.S. DOT may impose sanctions as provided for under 49 CFR Part 26, as amended, and may in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001, as amended, and/or the Program Fraud Remedies Act, 31 U.S.C. 3801 *et seq.*, as amended.
- J. Assurance of Nondiscrimination on the Basis of Disability** As required by U.S. DOT regulations, "Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance," at 49 CFR 27.9, the GOVERNMENTAL BODY assures that, as a condition to the approval or extension of any Federal assistance awarded by FTA to construct any facility, obtain any rolling stock or other equipment, undertake studies, conduct research, or to participate in or obtain any benefit from any program administered by FTA, no otherwise qualified person with a disability shall be, solely by reason of that disability, excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in any program or activity receiving or benefiting from Federal assistance administered by the FTA or any entity within U.S. DOT. The GOVERNMENTAL BODY assures that project implementation and operations so assisted will comply with all applicable requirements of U.S. DOT regulations implementing the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794, *et seq.*, and the Americans with Disabilities Act of 1990, as amended, 42 U.S.C. 12101 *et seq.*, and implementing U.S. DOT regulations at 49 CFR parts 27, 37, and 38, and any applicable regulations and directives issued by other Federal departments or agencies.

K. Procurement Compliance Certification The GOVERNMENTAL BODY certifies that its procurements and procurement system will comply with all applicable third party procurement requirements of Federal laws, executive orders, regulations, and FTA directives, and requirements, as amended and revised, as well as other requirements FTA may issue including FTA Circular 4220.1F, "Third Party Contracting Guidance," and any revisions thereto, to the extent those requirements are applicable. The GOVERNMENTAL BODY certifies that it will include in its contracts financed in whole or in part with FTA assistance all clauses required by Federal laws, executive orders, or regulations, and will ensure that each subrecipient and each contractor will also include in its subagreements and its contracts financed in whole or in part with FTA assistance all applicable clauses required by Federal laws, executive orders, or regulations.

L. Intelligent Transportation Systems Program As used in this assurance, the term Intelligent Transportation Systems (ITS) project is defined to include any project that in whole or in part finances the acquisition of technologies or systems of technologies that provide or significantly contribute to the provision of one or more ITS user services as defined in the "National ITS Architecture."

1. In accordance with 23 U.S.C. 517(d), as amended by the Moving Ahead for Progress in the 21st Century Act (MAP-21), the GOVERNMENTAL BODY assures it will comply with all applicable requirements of Section V (Regional ITS Architecture and Section VI (Project Implementation)) of FTA Notice, "FTA National ITS Architecture Policy on Transit Projects," at 66 *Fed. Reg.* 1455 *et seq.*, January 8, 2001, and other FTA requirements that may be issued in connection with any ITS project it undertakes financed with Highway Trust Funds (including funds from the mass transit account) or funds made available for the Intelligent Transportation Systems Program.

2. Part 4: Scope of Work/Responsibilities

FY 2016 Planning Liaison Scope of Services

The Planning Liaison (PL) Program is funded with Federal Metropolitan Planning funds, as allocated in the Unified Work Program (UWP). Local matching funds are provided by each local Council. The PL Program receives Core Supplemental funds to assist CMAP, as the Metropolitan Planning Organization for the Chicago region, in meeting Federal transportation planning requirements including development of a Long Range Transportation Plan, Transportation Improvement Program, and Congestion Management System. The PL Program includes five general task areas described below that will be completed using the Core Supplemental budget as allocated in the FY 2016 UWP.

Communication & Public Involvement

The PL program will be the basic communication link between CMAP and the suburban mayors. PL staff will provide information about CMAP transportation policies, programs and initiatives to local officials and stakeholders, provide feedback regarding those issues to the CMAP staff, committees and Board and ensure that CMAP is apprised of regional and sub-regional issues of importance to their communities. The PL program will be the primary public contact for local government projects in the Interactive TIP Map. The PL program will actively work to assist CMAP staff with the implementation of Go To 2040.

General Liaison

The PL program will provide staff assistance as part of the comprehensive regional planning effort. This includes being involved in the CMAP committee structure, providing technical and other support to help achieve CMAP objectives. The PL staff will participate in and provide input on local planning initiatives as well as regional planning efforts surrounding the Transportation Improvement Program, Congestion Management System, and Go To 2040, specifically the CREATE program and other major capital projects, the STAR Line Mayors Task Force, the IDOT Eisenhower Expressway (I-290) study, the Southeast Commuter Rail Service, the Cook-DuPage Corridor Study, Tollway efforts (including the I-90 Corridor and IL 53 North Extension), MAP-21 implementation/reauthorization, etc.

Program Development – Surface Transportation Program

The PL staff will facilitate the Surface Transportation Program (STP) at the discretion of local Council methodologies while meeting federal requirements. The PL staff will assist in the development of sub-regional annual and multi-year, multi-modal transportation improvement programs consistent with regional strategies and will be responsible for programming STP projects in the CMAP TIP database and for facilitating the implementation of projects through the Illinois Department of Transportation.

Program Monitoring

The PL program will work with local officials, regional, state and federal agencies and consultants to ensure the timely, efficient and effective implementation of transportation projects. This will include providing regular project status reports as well as close coordination with CMAP and IDOT staff for all locally sponsored projects. The PL program will be responsible for Active Program Management, as well as review applications and assist in implementation for locally sponsored STP projects. The PL program will take an active role in the Congestion Mitigation and Air Quality (CMAQ) project application review, selection and implementation process. Additional assistance, monitoring and review will be provided for the Safe Routes to School Program, Transportation Alternatives Program, Highway Bridge Replacement and Rehabilitation Program, High Priority Projects

Program, Highway Safety Improvement Program, Illinois Transportation Enhancement Program as well as all fund sources under MAP-21.

Technical Assistance

The PL program will provide technical support and assistance regarding transportation issues to CMAP and local governments. It will provide data and analysis regarding issues of importance to regional or sub-regional agencies.
